WORLD CHILDREN'S DAY

POP-UP FESTIVAL

We're celebrating World Children's Day with UNICEF and 1.5 million children and adults and YOU!

World Children's Day is a global moment "for children, by children" with **#kidstakeover** activities for kids leadership.

In partnership with UNICEF World Children's Day, POP-UP Festivals bring activities to children around the world. Come learn about emotions, wellbeing, the SDGs, and children's rights.

Join us to help build a world where every child is in school, safe from harm, and can fulfill their potential. **#EQPOPUP**

POP-UP FESTIVAL
