Resources:
Colored pencils/pens/crayons
Scissors
Rights Cards

Instructions:

Look over the Rights of The Child Cards (adapted from the UN Convention on the Rights of the Child). Which one do you feel most strongly about?
Using markers or crayons, draw and write the Right you've chosen on the blank paper.
Share your creation. Get permission from an adult to take a photo of you and your work then share on social media. In your post, say why learning about emotions helps with the right you've drawn about.

Don't forget to add the tags: **#EQPOPUP #WorldChildrensDay**

Discussion:
Why do you feel strongly about this right?
What would it be like if children everywhere had these rights?
What is one thing you can do to help teach other people about children's rights?
